

Your Excellency,

I herewith express my dismay at the action taken by the Nepalese authorities to deport 18 Tibetan refugees back to Tibet on 31st May.

I am outraged about these bizarre transgressions of Nepali law. Moreover this move is a blatant violation of Nepal's obligations under international law. Nepal is a state party to the International Covenant of Civil and Political Rights and therefore bound to safeguard the rights of the Tibetan refugees to seek protection from persecution.

These Tibetans deported back to Tibet are now at risk of persecution, further imprisonment and torture.

I appeal to your government to ensure that future refugees are safeguarded and handed over to the custody of the UNHCR, as has been the practice so far. I call for the „Gentleman's Agreement" to be reinstated, which affords protection for Tibetans in transit through Nepal and their safe onward journey to India.
